About Us – Alapati Pharma

Founded in 1993, **Alapati Pharma** was established with a vision to become a pioneer in the pharmaceutical industry, specializing in R&D, formulations, and marketing. Our name reflects a legacy of trust and excellence, backed by decades of commitment to innovation and quality.

With a state-of-the-art in-house manufacturing facility, we take immense pride in ensuring the highest standards of quality and efficacy. Our dedicated Quality Assurance (QA), Quality Control (QC), Production, and Microbiology teams meticulously analyze every product from the sourcing of raw materials to its expiration. Through stability studies and rigorous validations, we guarantee that each product meets stringent industry standards before reaching commercial production.

Our advanced manufacturing facility boasts an impressive monthly production capacity of 28 million units of tablets and capsules, ensuring a steady and reliable supply of high-quality pharmaceuticals.

At **Alapati Pharma**, quality is not just a standard-it's our promise.
